

Kirk & Teff COVID-19 Procedures

Based upon recent state and federal government instructions, our physical offices are temporarily closed to all clients and visitors, as 100% of our staff has been required to work from remote locations. It is important to know that our office remains fully functional for all purposes, and the Workers' Compensation Board has continued to conduct its business, including hearings, to the best of its ability. Our staff remains on call to assist you in any manner and our usual phone system will ensure your call is directed to the appropriate staff member.

To ensure the utmost safety of our clients and staff, we are temporarily not accepting drop-off paperwork and legal materials. Any documents that need to be forwarded to us should be hard-mailed or scanned into PDF format and e-mailed.

Please be assured that our firm will continue to represent you in our usual manner, no matter how the current crisis unfolds. We will adapt all procedures as necessary as the situation evolves, and will update you accordingly. Thank you for placing your trust in our office as we all weather this storm together. We hope all of our clients and their families remain safe and healthy.
